

COMMERCIAL TRUCKS

QUALITY • INNOVATION • SAFETY

A Message From

Since 1953, our mission has been to sell the highest quality products in the market. We have grown from a small, regional metal fabricator to the largest hand truck manufacturer in the world. Through our unmatched service commitments, worldwide distributor network, product guarantees, manufacturing processes, and constant innovation we will continue to grow well into the next century.

SERVICE - Our product line is serviced by factory trained field sales people located throughout the United States. We also have a fully staffed customer service department to handle all of your ordering needs.

DISTRIBUTION - Our industrial product line is sold nationwide through authorized distributors. Our central ship point allows us to deliver products on a timely basis.

WARRANTY - Any product manufactured by Harper Trucks, Inc. which has not been altered or abused, and fails within the manufacturers specified load limitation or any other specified restrictions within the first year after purchase by the user, will be replaced or repaired at no charge.

MANUFACTURING - Located in Wichita, Kansas, our plant is comprised of 350,000 square feet with 50,000 square feet reserved for finished inventory. Our manufacturing process consists of automated presses and dies feeding robotic welders. The precision of the robotic welders ensures the highest quality products. Our workforce of over 175 monitors each manufacturing phase to ensure that you receive the best possible product. All of our units are finished with a high gloss, powder coat paint.

Harper reserves the right to change the design and/or modify specifications of items in this catalog without notice. If any particular dimension or specification is critical, it should be verified at the time an order is placed.

HARPER NYLON	12
--------------	----

Made in the USA. The Harper Quick Change 3-position steel convertible dolly and cart is the only personal assistant you need for all your home, work or office moving needs. Harper's exclusive easy-to-use Quick Change mechanism converts truck positions in seconds and auto-locks into place with no tools or pins required!

Features four-wheel incline assist mode for even weight distribution and better load control in tight spaces. Four-wheel cart design makes simple work of large, heavy and oversized loads. The Harper Quick Change 3-in-1 convertible hand truck is large enough for most moving jobs and its compact size stores easily in a closet or auto trunk.

JDCJ8523

- Easily converts to three different truck positions
- The handle auto locks into place with no pins or clips to lose

Frame Material	Steel
Handle Extension – 2-Wheel	46"
Handle Extension – 4-Wheel	35"
Load Capacity – Vertical	500 lbs
Load Capacity – 4-Wheel	600 lbs
Product Weight	28.5 lbs
Base Plate Size	7" x 14"
Base Plate Material	Steel
Platform Size	35" x 13"
Wheels	8" Solid Rubber
Swivel Casters	3"

JDCJ8523EN

- Folding nose extension provides additional truck capacity
- Easily folds out of the way when not being used

Frame Material	Steel
Handle Extension - 2-Wheel	44"
Handle Extension - 4-Wheel	35"
Load Capacity - Vertical	500 lbs
Load Capacity - 4-Wheel	600 lbs
Product Weight	28.5 lbs
Base Plate Size	7" x 14"
Base Plate Material	Steel
Platform Size	35" x 13"
Wheels	8" Solid Rubber
Swivel Casters	3"

JDC2223

- Made in the USA
- Quick Change 3-position lightweight steel convertible

Frame Material	Steel
Handle Extension - 2-Wheel	44"
Handle Extension - 4-Wheel	35"
Load Capacity - Vertical	300 lbs
Load Capacity - 4-Wheel	400 lbs
Product Weight	22 lbs
Base Plate Size	7" x 14"
Base Plate Material	Steel
Platform Size	35" x 13"
Wheels	8" Poly Tread
Swivel Casters	3"

JDCSA8543

- Easily converts to four positions: upright, incline, cart, extended handle
- Quick change mechanism converts truck positions in seconds
- Auto locks into place with no pins or clips to lose

Frame Material	Steel
Handle Extension - 2-Wheel	48" to 56"
Handle Extension - 4-Wheel	36"
Load Capacity - Vertical	600 lbs
Load Capacity - 4-Wheel	700 lbs
Product Weight	33 lbs
Base Plate Size	7" x 14"
Base Plate Material	Steel
Platform Size	39" x 13"
Wheels	8" Solid Rubber
Swivel Casters	4"

DTC0135P

- Easily converts to four different hand trucks
- Patented Quick Change mechanism

Frame Material	Steel
Handle Extension - 2-Wheel	Up to 56"
Handle Height - 4-Wheel	36"
Load Capacity - Vertical	800 lbs
Load Capacity - 4-Wheel	1000 lbs
Product Weight	38.8 lbs
Base Plate Size	9" x 18"
Base Plate Material	Steel
Platform Size	41" x 13"
Wheels	10" Flat-Free
Swivel Casters	5"

55HA22

- Super Steel™ 300
- Ergonomic continuous handle for easy 1- or 2-hand control

Frame Material	Steel
Handle Extension	40"
Load Capacity	300 lbs
Product Weight	16.5 lbs
Base Plate Size	7" x 14"
Base Plate Material	Steel
Wheels	8" Poly Tread

BKTAK19

- Super Steel™ 600
- "P" handle for easy 1- or 2-hand control
- Curved back frame for hauling round objects

Frame Material	Steel
Handle Extension	48"
Load Capacity	600 lbs
Product Weight	19 lbs
Base Plate Size	7.5" x 18"
Base Plate Material	Steel
Wheels	10" Heavy-Duty Pneumatic All-Terrain

H59K19

- Super Steel™ 800
- "P" handle for easy 1- or 2-hand control
- Larger base for heavy load
- Large fenders protect load from damage

Frame Material	Steel
Handle Extension	50"
Load Capacity	800 lbs
Product Weight	32 lbs
Base Plate Size	7.5" x 18"
Base Plate Material	Steel
Wheels	10" Heavy-Duty Pneumatic All-Terrain

JEDTK1935P

- Super Steel™ 700
- Dual Hand / Platform Truck
- Telescoping handle adjusts for bulky loads
- Fenders help protect load

Frame Material	Steel
Handle Height - 2-Wheel	48"
Handle Height - 4-Wheel	36"
Load Capacity - Vertical	600 lbs
Load Capacity - 4-Wheel	700 lbs
Product Weight	29 lbs
Base Plate Size	7.5" x 18"
Base Plate Material	Steel
Platform Size	13.5" x 36"
Wheels	10" Heavy-Duty Pneumatic All-Terrain
Swivel Casters	5"

DTBSK1935P

- Super Brute™ 900
- Fenders protect wide loads
- Heavy-duty wheels and swivel casters

Frame Material	1 1/4" Steel
Handle Extension - 2-Wheel	48" Aircraft Aluminum
Handle Extension - 4-Wheel	36"
Load Capacity - Vertical	800 lbs
Load Capacity - 4-Wheel	900 lbs
Product Weight	39.5 lbs
Base Plate Size	9" x 18"
Base Plate Material	Steel
Platform Size	41" x 13"
Wheels	10" Heavy Duty Pneumatic All-Terrain
Swivel Casters	5"

6681

- Equipped with a patented double lock ratchet
- Features a high (40") and low (27") belt position to handle various appliance heights
- High-quality glass-filled nylon continuous-belt stair crawlers

Frame Material	14 Gauge Steel
Handle Extension	60"
Load Capacity	800 lbs
Product Weight	49 lbs
Frame Width	18"
Base Plate Size	4" x 24"
Base Plate Material	Steel
Wheels	6" Hard Core, Soft Tread Polyolefin

6781

- High-load capacity, yet economically priced appliance dolly
- Equipped with an offset belt tightener with a 2-piece poly belt

Frame Material	16 Gauge Steel
Handle Height	60"
Load Capacity	800 lbs
Product Weight	38.5 lbs
Frame Width	18"
Base Plate Size	4" x 24"
Base Plate Material	Steel
Wheels	6" Polyolefin

BKB85

- "P" handle for easy 1- or 2-hand control

Frame Material	Steel
Handle Height	48"
Load Capacity	600 lbs
Product Weight	21 lbs
Frame Width	19"
Base Plate Size	8" x 18"
Base Plate Material	Steel
Wheels	8" Solid Rubber Flat-free

H51T86

- Dual Handles provide additional control for heavy loads
- Curved steel straps accommodate cylindrical loads
- Steel fenders to protect the load

Frame Material	Steel
Handle Height	51"
Load Capacity	1000 lbs
Product Weight	34 lbs
Base Plate Size	8" x 20"
Base Plate Material	Steel
Wheels	10" Solid Rubber

ADTJMK1945

- Pro-Max 850™
- Professional-grade aluminum dual truck
- One step quick release latch

Frame Material	Aluminum
Handle Extension - 2-Wheel	51"
Handle Extension - 4-Wheel	36"
Load Capacity - Vertical	650 lbs
Load Capacity - 4-Wheel	850 lbs
Product Weight	37 lbs
Base Plate Size	7.5" x 18"
Base Plate Material	Aluminum Extrusion
Platform Size	13" x 42"
Wheels	10" Heavy Duty Pneumatic All-Terrain
Swivel Casters	5"

PGCSK19BLK

- Steel Tough 600™ engineered nylon hand truck
- Exclusive I-Beam truss design for MAX strength
- Built-in glides for easy moving up or down stairs and curbs
- Rust proof frame

Frame Material	Nylon Glass Filled
Handle Extension	47"
Load Capacity	600 lbs
Product Weight	22.5
Base Plate Size	14" x 7"
Base Plate Material	Steel
Wheels	10" Heavy-Duty Pneumatic All-Terrain

PGDYK1935P

- Steel-Tough 700™
- Engineered nylon
- Easy to convert from 2-wheel dolly into 4-wheel cart

Frame Material	Glass-Filled Nylon
Handle Extension 2-Wheel	48", 53", 64"
Handle Extension 4-Wheel	35"
Load Capacity Vertical	700 lbs
Load Capacity 4-Wheel	600 lbs
Product Weight	25.5 lbs
Base Plate Size	7" x 14"
Base Plate Material	Steel
Platform Size	37" x 13"
Wheels	10" Heavy-Duty Pneumatic All-Terrain
